It has come to my attention that some of the members are still not getting emails, I am not bias, it is entirely your choice if you want to receive emails. If you wish to receive the Magazine or any updates, then please send me your email.

Our 37th Restore and Ride Rally is on. I have emailed you the info and it is in this Magazine. Rob Popplewell is still looking for some volunteers for the Rally. Lance is our Head Marshall and will be needing help in that department. Please contact Rob or Lance if you can help or better yet show up at the next General Meeting at the RSL.

Kerry our Club Captain is now doing the Ride Calendar so if you have any ideas for him please lend him a hand.

I don't mind if you send me something too. Photos, stories, items for sale. Remember we only print a small paper version of the Magazine so be mindful that if you have a large story, several pages, it will only go in the Magazine sent via Email or on the Clubs Web page.

If you wish to contact any of the above, all our contact details are on the Club Office Bearers Page of the Magazine and the Website.

Cheers.

Bonnie.

Further information

If you require further information on any aspect of the rally contact the Rally Convener, Rob Popplewell, 02 6653 4532 or Mobile 0402 825 924 or at repopplewell@bigpond.com.

The line-up begins at Sawtell Caravan Park, May, 2017

Special Covid Protocols

When meals are served in the caravan park, it is expected that entrants will maintain appropriate social distancing in queues. Once served, people should move away from the serving area and find suitable seating that ensures that the 2 square metre rule applies. In reality, this will mean no more than 4 persons to a bench table and once tables have been occupied then seating will have to be found outside of the camp kitchen.

In Bowraville on Friday, riders should spread themselves evenly between the Frank Partridge VC Museum, the Bowraville Folk Museum and the Phoenix afternoon tea so as to reduce crowding and allow social distancing.

Similarly, at Dorrigo Showground on Saturday, maintain social distancing while being served morning tea and then move away from the serving area. The dinner at the Golf Club will be supervised by the Golf Club and entry to and from the dining area will be limited to ensure that no overcrowding occurs.

Finally, on Sunday at Glenreagh once served with the complimentary lunch, move away from the serving area.

There will be “covid marshals” used at venues and the caravan park, so please follow their directions

Barn Find

An all-original vintage bike that the owner claims he bought for \$300 from an old lady who didn't know what it was (but was actually bought on eBay for thousands of dollars.)

Hardtail

A bike with no rear suspension, just a rigid frame. May have a couple of springs under the seat, but the truly hardcore forego even that. Impossible to ride very far on.

Tank-slapper

A scary event that occurs when road demons suddenly possess your bike and the handlebars whip violently from side to side, scaring the crap out of you. Nobody knows why this happens. Just loosen your grip and ride it out.

Out and About.
