3rd Thursday of each month, 7.00pm at Sawtell RSL, Sawtell.

Come early for a meal at the bistro.

LIFE MEMBERS:

Don Sonter, John Budds*, Norm Thearle*, Fred Spinks*, Pete Richmond, Bill Baker*, Ned O'Brien, Rob Popplewell, Jeff McKenzie, Kevin Barber and Lance Gilbert.

*Deceased

Covid, floods and now a War, well they say it comes in threes, hang on I forgot about the Fires, it has been never ending. We certainly have been thrown a few curb balls, with some of us being affected more than others. The constant rain is starting to wear thin, and I write this it raining again so, here is hoping that the weather finally fines up for May.

Our Concours d'Elegance, that's French, is on Sunday 22nd and we have our Annual Rally being held from the 27th - 29th. The Programme and entry forms for both these events are in this magazine. Hopefully some of our members that are on The Gentleman's Ride on the 22nd May will be able to join in at the Concourse at the Bellingham Show as well. Entries close on the 12th for the Concours and 13th May for our Rally so you still have time to enter and join in on the fun.

Membership payment day. If you prefer to use cash rather than pay online, and can't get to a meeting, the club is setting aside the third Sunday of June between 9 and 3 to pay. There will be a BBQ and morning and afternoon tea provided for those who wish to use this option. To make it easy for our treasurer, could you please put the correct amount of cash in an envelope with your name and membership number on the front of the envelope. This year it is being held at the Bongil Bongil National Park off Williams Rd, Bonville, and is listed in the Ride Calendar.

If you feel you have something that would be of interest for the Magazine, events, ride calendar ideas, or even your own experience on your last ride or trip please send an email to the editorcoffsrestorers@gmail.com it would be appreciated.

Cheers
Bonnie.

Concours d'Elegance (French: concours d'élégance) is a term of French origin that means a "competition of elegance" and refers to an event where prestigious vehicles are displayed and judged.

Does your bike fit the bill??

"Life is not about waiting for the storms to pass: it's about learning how to ride in the rain!"

The AGM. To be held on Thursday July 21st.

The AGM is in July. All positions will be declared vacant so you should have a think about whether you would like to stand for election or if you want to nominate someone for a position. Nominees should be at the AGM as the nominee has to accept nomination! The nominee also requires a seconder to stand for election. So, you will need to be organised before the meeting, tee up your candidates and ensure there is a seconder. Remember you can nominate yourself if you want to have a go. A number of the incumbents will be retiring so don't rely on them stepping up again. The best training is on the job, but there has always been a strong tradition of providing assistance to members who take a job on for the first time.

It is also a time to consider any changes that you would like to make to the way the Club is run. You can put forward your ideas as a motion, if possible, these motions should be emailed to the Secretary (address on the front of the magazine) so that they can be printed out for the meeting. Alternately you can give "Notice of Motion" by raising the issue at the June meeting, so that it is included in the minutes and can be referred to at the AGM.

Membership renewal. The end of the club's financial year is 30th June 2022 Your membership expired on that date. The club gives you 2 months grace to renew, but the RMS does not. This means you cannot ride a conditionally registered bike after the 30th June unless you have paid your 2022/2023 membership subscription. As far as the RMS is concerned, if the owner of the vehicle is not financial with his club, then the bike is no longer attached to a club and is unregistered, irrespective of when the bike's registration runs out. Remember if you read this message in the next magazine, and you have not paid, your bikes will be "unregistered"!

Captains Report:

As per usual, weather has not been great for the weekly rides. We have had a few new rides including to the Nambucca Surf Club. It has been a good ride, it's a bit hazardous to get out of for some, as it is quite steep. Good turnouts for some rides, not so good on others which had mainly been because of the weather.

Cartoon Gallery – café not open due to Covid – ride had to go somewhere else, some members turned up after everyone else had left and ended up having coffee across the road.

It was mentioned in last year's minutes that the cost was prohibitive, however, we will look into it and report back to next meeting.

Gavin mentioned the Gentlemans Ride is on the same day, some riders may wish to enter the Concourse as well, judging has been moved back to after 11.00am at the Showground to allow those members to attend both events.

Gentlemans Ride:

This is an international event which this year coincides with our Concourse Day. The Gentlemans ride will start at 9.30 – 10.30 from Coffs Harbour Jetty and ride through to Urunga – those riders who wish to also enter the Concourse, are able to do so. They will leave the Gentlemans ride at the Bellingen turnoff at Raleigh and continue to Bellingen to join other members.

Bonnie mentioned that Chris Duffy wanted the Gentlemans Ride to be noted in the ride calendar. There are a few members who do the Distinguished Gentlemans Ride each year.

Coffs Harbour and District Motorcycle Restorers Club

Stop Press: Perpetual Stanley Phelps Trophy at Bellingen Show Ground

Concourse d'Elegance

Each year the Constitution stipulates that the Club holds a "Concourse d'Elegance" to select the best restored Club bike. This year the "Concourse d'Elegance" will be held at the Bellingen River Agricultural Show on Sunday, 22nd May.

It is proposed that the normal Sunday ride will leave the Caltex at the normal time of 9.00am and ride to Connell Park Bellingen where other riders can join the

participants. Then the bikes will leave at 10am and proceed to the showground and then line up for the "Concourse d'Elegance". Riders and their pillions can then view the show and then at midday, lunch will be served.

The Show Society is providing free admittance to all riders and pillions and the Club's treasurer is shouting a \$10 subsidy to all club members in attendance for lunch.

However the "Covid Requirements" for the Show require that to receive your free entry, the Club will need to submit a list of all riders and pillions with appropriate email addresses so that the free entry tickets can be sent out. The entry tickets will be emailed directly to all members who register and these tickets will also be used to calculate the number of lunches to be ordered.

To register, please send the following details to Nick Hiller for the list to be prepared:

Bellingen Show Concourse Entry

Name of Entrant : _____

Name of Pillion (if applicable): _____

Email Address: (use sparkshiller@bigpond if no email) _____

Make, Model and Year of Motorcycle to be entered:

Nick's email address is sparkshiller@bigpond.com, alternately call or SMS 0427280-354 with the details.

Closing date for the free tickets will be 12th May, 2022

* Concours d'Elégance "Often the competitiveness of a Concours d'Elégance forces restoration of a vehicle to surpass "mint" condition. Mint condition would be the state of the vehicle when it originally left the factory. Concoursquality cars are often given upholstery, paint, plating, and mechanical restoration to a standard far exceeding that of the car when it was new." Definition from Wikipedia.

*Recent past winners of the Stanley Phelps Perpetual Trophy include Gavin Gills, DT Yamaha, Graeme Wright's Norton Model 50 (note the 8 fin barrel), Rob Popplewell's 1954 Ariel Huntmaster and last year, Ian Corner's 1978 CBX Honda.

Last year, Don Sonter (Life Member) judged Ian Corner's 1978 Honda CBX as the winner of the perpetual Stanley Phelps Trophy at the Bellingden Showground.

Coffs Rally, 2017

Special Covid Protocols

In the first instance, do not attend the rally if you have Covid symptoms or have been a close contact with someone who has Covid.

When meals are served in the caravan park, it is expected that entrants will maintain appropriate social distancing in queues and wear masks. Once served, people should move away from the serving area and find suitable seating that ensures that the 2 square metre rule applies. In reality, this will mean no more than 4 persons to

a bench table and once tables have been occupied then seating will have to be found outside of the camp kitchen.

Similarly, at all morning tea and lunch venues, please wear masks while being served, maintain social distancing and then once served move away from the serving area. The dinner at the RSL will be supervised by the RSL and entry to and from the dining area will be limited to ensure that no overcrowding occurs. The RSL Club currently requires proof of double vaccination for entry, so **do not book** for dinner unless you have this proof.

Finally, on Sunday at Stuarts Point once served with the complimentary lunch, move away from the serving area.

There will be "covid marshals" used at venues and the Sawtell Caravan Park, so please follow their directions. It is not only a matter of our own personal safety, but also out of respect for those who are serving us.

Note: These protocols could be subject to change as Government and venue regulations and rules may vary by the time of the Rally.
