CLUB MEETINGS:

3rd Thursday of each month, 7.00pm at Sawtell RSL, Sawtell. Come early for a meal at the bistro.

LIFE MEMBERS:

Don Sonter, John Budds*, Pete Richmond, Bill Baker*, Ned O'Brien, Rob Popplewell

*Deceased

The rides have been well attended and there have been different members attending the varied offerings on the ride calendar, indicating a higher level of membership participation. There are additional articles in the magazine describing two new activities, the “movie night” and the “dirt day” and hopefully these will be well supported and can become a feature of future ride calendars. There is also a busy round of shows and rallies for those who enjoy these activities and the entry forms are at the end of the magazine.

The AGM has come and gone with some forty members in attendance. Geoff’s presidential report described the busy last year and the growth of the club and moved a round of congratulations for the outgoing committee which was carried by acclamation. In a similar vein, outgoing Secretary Jenni referred to the growth of the club and the new structures for dealing with the increased membership, while Treasurer Glenn noted the club was in a healthy financial situation. In the election the incumbents were basically returned to their positions with Peter Tarabay (Secretary) and Lara Bechaz (Vice-Captain) joining the committee. The two positions for which committee members had completed their three years of service, were the secretary replaced by Peter Tarabay, and the editor, who was not replaced. Election for the editor’s position will be referred to the next general meeting.

Out and About

Ebor Ride, 30th June, 2019.

As often is the case, there seems to be a fair bit of confusion at Bellingen at the meeting spot opposite the Purple Carrot. There are about 20 plus bikes (including Graham's Rudge Ulster, just back on the road after having the four valve head given a good once over), but it is nearly impossible to sort out who wants to go for a ride and who wants to go for coffee. Eventually, it sorts out and about a dozen head up the mountain for morning tea at Tyringham, while the others went back to the Butter Factory.

The ride to Tyringham is outstanding with relatively warm conditions and the country truly in bloom, looking the best it has in months. "Janet's café" supplied

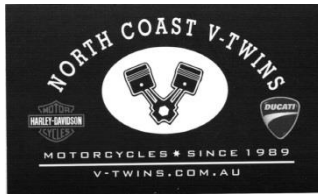

us with the basics and we enjoyed a lay on the grass in the sunshine and were joined by life member, Pete Richmond, who brought humour and stories from Dorrig in the good old days. Pete then lead the mixed bunch of Dan's and Matt's Guzzis, Pete's Triumph, Ward's BSA outfit (the A10 gives a competitive edge not seen on the M21 outfit!), John's Beema and a

trifecta of V-Stroms (Jenni, Paul and Nick), on an exhilarating ride to Ebor, where we regroup with Gary (Triumph), Steve (Norton) and Ross (Harley) and partook of a hearty pub lunch regaled with stories of John doing burn outs on a Ducati inside the bar of the Long Flat Hotel in a time long, long ago! The sun kept shining for the trip down the mountain.

A beautiful day for a ride, a fact which was not lost on the twenty or so who made the trip up the mountain. The Coffs riders swelled the ranks of the already gathered locals for an enjoyable cuppa and a bite to eat.

Tamworth Rally, 19th - 21st July, 2019.

I entered 2 bikes, BMW R26 and Ariel Square Four.

The R26 would do the Friday and Sunday short rides and the Square 4 long

Saturday ride. The Squariel was already at Tamworth, where friend Rod Hemming had been trying to sort out rough running for me. He wanted me to ride it on Friday as a test, so I headed off to Paradise Park, (the rally base) Soon realised some rough running was still evident but it'd be OK for the ride. None-the-less I rang Rod to let him know. He said bring it back and take the R26 so he could have another go at it while warm. I'd now miss the start and didn't know the rally route, but Dave Smith, one of the organizers, said he'd follow me to Rods, then guide me and the R26 to the ride catch-up stop. Dave was on an M20 BSA, not noted for sporting performance, but it was somewhat faster

John, below zero in Bendemeer than the R26! I had to almost flog the tail shaft out of R26 to keep Dave in sight. We joined the rally ride at Moonbi just as they were leaving. This section of the ride followed a winding rural road to Limbri where afternoon tea in a park was available. The return was via the same road to Kootingal where things got a bit confused as some peeled off to the right and others continued straight on, but I knew straight on would take me to Nemingha where Rod lived so that's the way I went.

Saturday came up cold as always in July here but it was clear, sunny and calm, an ideal ride day. R26 is quite pleasant to ride if one rides at the speed it

wants to travel at. But that isn't very fast and as today was 200kms and I wanted to get to lunch before all the food had gone, so I would be on the

Gary guarding the Honda 4's in the Sun

Squariel, running rough or not. There were around 80 starters and a good variety as well. The route was out to the north west of Tamworth via roads that I wasn't familiar with but they were good riding. Somerton on the Oxley highway was morning tea. Here I caught up with other Coffs riders, Nick, Gary, the two Johns, Steve and Bob. From Somerton we had a short dash along the Oxley to the Keepit Dam turn-off, then via more great riding roads to Manilla. Most of this stage I kept company with a pair of pre WW2 singles ripping along in the 55-60mph range. One was a Rudge. There was a catch-up stop at Manilla, and then we headed back to Tamworth for lunch at the Riding for the Disabled establishment. There was an optional 50km ride after lunch but I headed back to Rod.

The presentation dinner was at Paradise Park. The meal was good and I even managed to get 2 desserts! John Munson & Gary McLeod left straight after the meal & before the raffles. Gave me their tickets, and I won 3 prizes, thanks fellas!

Sunday was fine again with just some high cloud. Today's ride was to Chaffy dam via a series of back roads. This route has been used on previous rallies so was familiar to me. On the R26 again, I'd decided to follow the pack at the speed the R26 liked and had a nice sedate ride. There's not much water in Chaffy dam!

Rob's Squariel at the Rally

This was a good rally. Weather was great, (though sub-zero in the mornings!!), well chosen routes made for good riding and the organization was excellent. Sorry you didn't get to join us Margaret.

display so didn't go off for lunch, but I did enjoy the egg & bacon rolls for sale at the Festival, along with sausage sangers, locally homemade meat pies, and many other tasty treats. The Timber Festival provides a great opportunity for the general public to view our bikes, and from our point of view, there was lots to look at while our bikes were on display. There were heaps of stalls selling everything

The day was a big success with large numbers of public admiring our display of old bikes. The weather was also perfect if a little bit cool early on and I think there were about 20 or so bikes displayed, including two 1920's Waratahs which were particularly tidy. The "Treasurer's Shout" for lunch was appreciated by attendees. I stayed with the

imaginary, along with displays of vintage cars, farm machinery, old tractors, snake show and wood chop.

The winner of the much prized Concours d'Elegance trophy (Many thanks to Graeme for making an additional Stanley Phelp's Trophy) was Gavin's 1973 360 RT3 Yamaha and the Shannon's award went to one of the resplendent Waratahs.

Sculptures in the Gaol, 4th August, 2019.

There was a good turn out on a fine weather Sunday for the ride down to Trial Bay Gaol and the annual Sculptures in the Gaol. The Coffs crowd was a mixed collection of bikes with Triumphs, Harleys, a couple of

Ducatis, a Norton, a Virago, a scooter, at least one BMW, a Kawasaki, a V-strom, a pair of Moto Guzzis, and assorted other bikes. They joined a throng of bikes

from other clubs, including Natureland, Port Macquarie and Taree with nearly 70 bikes in total. There was also a good collection of classic cars from the local areas on display. As always there was an unusual and very clever eclectic collection of

sculptures and other art works. Many of our members left to go to the Country Club for lunch or headed home, but for those who stayed there was good food and music, both served up in a magnificent setting.

Morning Tea at Glenn's , 6th August, 2019.

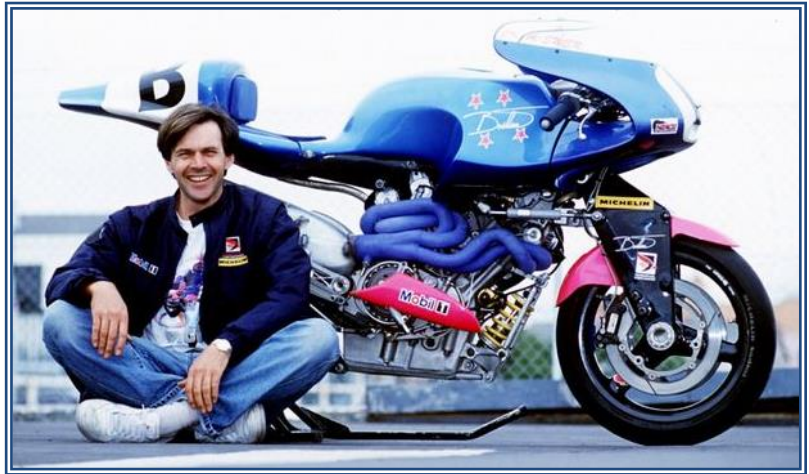

The Urunga and Bellingen members arrived first, followed by the contingent from Coffs to bring numbers up to about 20. Host Glenn did a grand job of feeding everyone, but eventually collapsed in his

chair amazed at the amount of food eaten. Morning teas, another good reason to enjoy a ride and the glorious sunshine.

Four Types of New and Different Stuff

Movie Night

A “movie night” has been organised by members Chris and Ian and will be at 6.30pm at the Sawtell Cinema on 5th September, 2019. The event is open to members and their families and friends. The programme will be a short documentary, “Up the Mountain”, followed by intermission, then the main feature “One Man’s Dream, The John Britten Story” which contains additional footage not available on video.

John Britten and his “Super Bike”

Tickets will be \$10 and can be pre-purchased by contacting Chris on 0429-667-048 or purchased at the door.

Dirt Day

A training day for budding and experience dirt riders has been organised by Chris at Dan’s place, 60 Grandis Road (Off Bonville Station Road) from 10.00am to 4.00pm on Sunday, 27th October. You can bring your own bike or there will

be some spare dirt bikes available on the day. It is not intended to be a competitive event, rather a social event where attendees can learn and practice some basic dirt skills. You can ride your own bike to the event if it is on club plates as it is a “club sanctioned” event or come

with a trailer or ute as there is plenty of parking. There will be a BBQ available so bring some food and snacks to share with others and enjoy a meal together. For further information contact Chris on 0429-667-048 and remember to bring your riding gear!

Stuarts Point Men's Shed

Calling All Motorcycle Riders & Two or Three -Wheel Enthusiasts –

Stuarts Point Men's Shed invites everyone (not just riders) to a motorcycle show and lunch at Stuarts Point Workers Club on September 8, 2019 for their Men's Shed Fundraiser. Organisers expect a virtual rolling museum of old and new motorcycles to educate and amaze you and your family. Some of these machines can be over 100 years old and in original or restored condition, they are incredible.

As you can see in the photos of last year's event, some of the finest machines in our region could make an appearance on the day. Some restored to "Showroom Condition" and other directly from the showroom.

The program includes; barbeque lunches, raffles, live musical entertainment and two major Bike Show prizes.

Prizes will be awarded to winners of two only divisions, "Most Popular Old Motorcycle" being any roadworthy motorcycle or scooter thirty years or older,

and “Most Popular Modern Motorcycle” being any roadworthy motorcycle or scooter not yet thirty years old. Machines may be trailered to the event but must be “road legal” with public or historic number plates. There is plenty of room for trailer parking.

Judging and voting in each category will be done by the public, each vote being one gold coin placed into a ballot box officially attached to nominated motorcycles. Entrants are encouraged to juggle, sing, tap-dance or tell jokes to win votes for their machines. There’s no limit to how much enticement and encouragement used to gain votes. The nomination fees (\$4/machine) and all monies raised by voting will go directly to support the Stuarts Point Men’s Shed and their workshop.

The competition nominations will open at 9am, voting will start at noon and run until 1pm. The prize winners will be announced at around 2pm.

Men’s Sheds across the country are providing community support services to their members and communities. These services include skills training, community maintenance and cleaning services, workshop access for individuals, recycling, reuse and repair services, social networking and individual care. They also provide a good laugh over a hot cuppa and biscuits for members and visitors at regular morning tea sessions.

Be sure to bring along your appetite, Men’s Shed Chefs will be turning out plenty of barbeque treats, inside the club the Chinese Restaurant will be serving as well.

Again, the live music will be supplied by “The Little Ripper Band” beginning at 11: am. These guys know just about every tune ever written so be sure to request or dedicate a tune on the day.

Distinguished Gentlemen's Ride, 29th September, 2019.

Ladies and Gentlemen, start your engines!! It is on again, the annual fundraiser for Men's health. The Distinguished Gentlemen's Ride is a worldwide event

focusing on the fight against prostate cancer in particular, and besides that it is a heap of fun!

The plan is to assemble at the Jetty Markets at the foreshores on Sunday, 29th September at 9.00am and leave at 10.00am to Woolgoolga via Bruxner Park with lunch at the Seaview tavern

It is hoped that riders will dress dapper for the occasion and ride old bikes (see attached photo from last year; you will recognise a lot of our members better dressed than usual!)

The organisers ask that all riders should register for free at the website as this will cover the riders and the organisers' insurance

24th Annual Rally November 1st to 3rd 2019

Dear fellow enthusiasts and associated clubs:

We are pleased to invite you to our 24th Annual Rally on 1st to 3rd November 2019. This year we are transitioning to our NEW home base of SWR. Our Club is excited and hoping that all previous and future participants will enjoy the new Facilities at SWR Country Club. Our Club Members have put together what we believe will be an enjoyable weekend of interesting rides, fun and comradeship. We hope you and your family will join us.

Friday 1st November

Ride on Friday will start from the Shelter Shed in the Hat Head Camping Grounds at 1pm around the local area, with Marshall's on hand to direct you on the Friday Route. Registration will begin on Friday 5pm this will be in the **BBQ Area below the SWR Club** and it is back to Natureland Members cooking the BBQ and serving up your favourite Rissoles and Crumbed liver again. Late entrants are welcome to enjoy all rides; **however Lunch & Dinner** cannot be issued as catering demands are already set, we can cater for Breakfast on Saturday & Sunday as well as our Free BBQ on Sunday after the ride.

Due to the Transition to SWR you can either camp at Hat Head or book accommodation at SWR, there are 4 Caravan Parks and numerous Accommodation places at SWR. I have attached a list of numbers that you can ring to arrange accommodation in SWR if this is where you prefer to stay, but if you wish to stay at Hat Head this it is entirely up to you.

Saturday 2nd November

Breakfast will be available at the Shelter Shed in the Hat Head Camping Grounds from 7am to 8:30am with Tea and coffee. Late comers can register.

At 9:00am there will be a rider's briefing and we will depart Hat Head at 9:30am to Pembroke Hall for Morning Tea and Judging then on to Crescent Head for Lunch. After lunch you return to where you are staying and get ready for our inaugural Dinner at SWR Country Club Auditorium.

This year we will have a Bus pick up from Hat Head to Transport people to the SWR Club for dinner & return to Hat Head, there will be a small cost of \$8.00 per person for this so please let me know if you wish to use the Bus.

Dinner on Saturday night will be a sit down meal that starts at approx. 6pm.

If you have not booked into the Dinner there are 2 other dining facilities at the Club or maybe check out one of the Restaurants around SWR area.

Sunday 3rd November

Breakfast will be available at the Shelter Shed in the Hat Head Camping Grounds from 7am to 8:30am with Tea and coffee.

At 9:30am a ride of approx two hours will depart and head on a leisurely ride to Stuarts Point returning to Hat Head for Brunch. Brunch will be from 11:30am at the Shelter Shed within the Hat Head Caravan Park.

Late entries for the rides will be accepted however **the only meals that can be purchased are Breakfasts on Saturday & Sunday.**

**THANK YOU VERY MUCH FOR COMING TO OUR RALLY AND
HELPING TO MAKE THIS ANOTHER GREAT EVENT.**

When you leave please ride or drive carefully. We want you to come back next year.

Natureland's Hat Head Rally 1st – 3rd November, 2019

Hi Fellow Riders/ Rally Entrants

We are just sending a quick update on changes that have been made to this year's Rally, as many of you know we have been having a few problems with the catering over the last few years.

This year we are using this as a transitioning year so yes the Rally is still based at Hat Head so people who have booked their accommodation already will not have to look at re-booking. The rides will be leaving from Hat Head as per usual.

Next year the Rally is moving and will be based at SWR. I will be sending information on Accommodation venues with Phone number so you can look at booking within the area.

This year we are going to hold our Friday Night meet & greet at SWR Country Club and yes we will be doing the BBQ so it will be good having our Rissoles and Liver again.

Saturday & Sunday breakfasts will be at Hat Head shelter shed within the Camping Grounds of the Caravan Park as well as Sunday brunch.

Saturday Night the Dinner will be at SWR Country Club and it is going to be a Buffet and will include Sweets, Tea and Coffee. If there is any interest we will look at providing a Bus service at a minimal cost to users.

We don't want to lose any of you, you are what makes our Rally great so please come and join us in our new venture.

Hoping you will be attending

Yours Sincerely

Kim & Yvonne Avery

Rally Secretary.
